SPS PMO Training Changes

■ **Very limited number of PMO funded 4.1x classes**

- Some pre-existing requests may be filled
- Goal to hold CN & SA quarterly at Fairfax, VA

■ **4.2 training**

- First offerings will be at Fairfax
 - Contract Admin 4/8-12/02 4 AF seats available
 - Contracts 4/15-20/02 3 AF seats available
 - System Admin 5/6-10/02 2 AF seats available
 - Report Writing 5/13-16/02 RWG first priority; total 3 AF seats
- Classes for new installations only in the future
- Upgrade sites only receive CBT & PD Advisor (on-line help)
 - 1 CD per 10 users

■ **Services can buy classes**

- Discount being negotiated. Roughly \$5000 per class plus travel + G&A (vs. \$12,000 + everything)
- 1 instructor for 1 week (1 instructor:15 students; 2: 25)
- Includes materials & registration services (In negotiation)

AF Training Options

U.S. AIR FORCE

■ **AF OJT**

- New users not required to go to an AMS class to use PD2
- Government has right to copy and distribute (but not modify) AMS training guides as needed for 4.1x (still in negotiation for 4.2)
- Can create our own OJT training materials as long as we use the attached disclaimer.
- Right to install 4.1x training databases being negotiated

■ **Train the Trainer program for Contracts class**

- June 02 onsite at Fairfax, VA + 1 week pre & post (total of 6 weeks)
- Certified to teach AMS class (Satisfies Authorized Caller requirements)
- Can add service specific content around basic class
- Participants wanted by 30 April 2002; 4 AF seats available

■ **4.2 Sybase training**

- Free for first offerings only
- Offered weeks 22 July and 29 July
- 4 AF seats total (2 / week); participants by 15 July
